Ruby EAVES | David BESCHI | Terry SWANN

Watercolour Exhibition

**Join us for Opening Night  
Wednesday 14<sup>th</sup> April 6pm-8pm**

Following a resurgence in the appreciation for Watercolour Paintings, Red Hill Gallery is privileged to present three leading Australian artists all having achieved fame and recognition for their outstanding work in this exacting medium.

This exhibition has deceptively simple paintings that find a delicate balance between detail and suggestion that draws the viewer in. They typically feature a charming, timeless revelation of a lifetime of experiences and memories.

The “Changing Moods” are captured by the spontaneous creativity and uniqueness of each individual moment.

*David says so simply..... “I just paint.... always have... always will.... and watercolour is my passion”.*

*Ruby says..... “I paint what I feel rather than just what I see.....”*

*Terry explains it this way..... “I find inspiration by being ‘in’ the subject and then use my emotional response to capture the essence of the surrounding landscape. I paint what I see there at that time”.*

*Discover the mysterious challenge that is watercolour.*
