

Following a resurgence of the appreciation for works on paper
Red Hill Gallery is privileged to present

Joseph ZBUKVIC

with

Artist's Diaries

a window into the soul of the artist

**The exhibition will be officially opened on Friday 6 August
and will continue daily until Sunday 29 August 2010**

Joseph ZBUKVIC is one of Australia's finest artists, exhibiting both locally and internationally. He has won numerous prestigious art prizes and is widely sought after by fine art collectors worldwide.

Joseph has a remarkable watercolour technique which captures the enduring yet enigmatic tapestry of this medium.

As Joseph says... *"I try to achieve the feeling of harmony not only design and colour, but also in the relationship between the view and the painting. I find watercolour, with its gentle and subtle effects, a perfect medium to achieve this."*

Zbukvic's past exhibitions at Red Hill Gallery have been a 'sell out'. This collection will also be as keenly sought after by our many clients.
