## THE **POWER OF FOUR** EXHIBITION

Patrick **CARROLL** \* Richard **MUSGRAVE-EVANS** \* Herman **PEKEL** \* Ken **STRONG**

The Directors of Red Hill Gallery, Graham and Margaret Campbell-Ryder, are very proud to present this amazing collection of work by these four powerful contemporary painters, each with their own unique qualities.

Graham Campbell-Ryder said of this exhibition “*these paintings are simply extraordinary and display a collective wealth of outstanding talent.*”

The exhibition will be on show at the Gallery throughout the month of May.

**Patrick Carroll**...with a love for the landscape, the bush, the hills and the city, his paintings have a unique and dramatic quality of strength and energy which reflect his drive and dedication to his art.

**Richard Musgrave-Evans**...is a passionate outback artist. Richard’s subject is light, atmosphere and mood. He captures the fleeting and ever changing moment in a way that resonates with the viewer.

**Herman Pekel**...is an extraordinarily gifted contemporary Impressionist artist. His masterful style and unusual paint application allows Herman to express himself with minimal brushwork and detail, resulting in universal appeal.

**Ken Strong**...is an artist of note whose work displays a strong sense of colour. This exhibition displays a connection between art and music providing a boundless source of inspiration, emotion, atmosphere and movement.
