“Women Of Substance”

This Collective Showcase of experienced contemporary female artists provides an engaging complexity through all forms of media. Bronze, glass, silver, acrylic paint, porcelain, lacquer and foil are used in a creative style with a modern twist.

Challenging assumptions and the ordinary, these inventive women inspire, evoke passion but most of all they leave you smiling.

Together these “Women of Substance” provide a scope from cheerful whimsy to a sophisticated feminine intrigue.

Come and be enchanted by this array of gifted artisans.
