

MEDIA RELEASE - Immediate 22/4/09

## “A Breath Of Fresh Air”

An exhibition of new paintings by

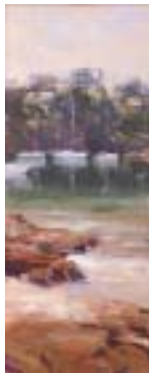

### **Richard Musgrave-Evans – Contemporary Impressionist**

A ‘plein air’ devotee, Richard prefers to work in the style made famous by the masters of impressionism like *Monet* and *Renoir*.

His brush and palette knife work is raw and untamed. The energy of his creations struggle to compete with the ever-changing elements, fleeting light and moods.

Some of Australia’s most beautiful locations are reflected in his joyful, free flowing landscapes, that capture his exhilaration whilst painting ‘in the moment’.

Richard has a long list of awards, most recently being a 2008 finalist in the prestigious Fleurieu Biennale. His work is represented in corporate and private collections and has rapidly gained an appreciative and devoted following.

He has masterly control of the medium and his work is ‘a breath of fresh air’.
