No watering required.

Red Hill Gallery presents "The Spring Collection"

Vibrancy and a sense of spontaneity are fundamental bonds that unite these diverse artists in their portrayal of all things floral.

Their dramatically different styles reveal the velvety texture and exquisite harmony immortalizing the fleeting beauty of the subject.

The burst of flowers indicate the change of season and welcome the warmer weather with all the sense of possibility that it brings.

Shake off the the winter blues with a visit to Red Hill Gallery for this uplifting and colourful celebration of new life.
