Visit Red Hill Gallery to discover what makes these
Women Of Substance

An exhibition of new paintings presenting
the artistic brilliance of four leading ladies.

Collectively their paintings are innovative and
powerful yet refreshingly evocative.

*Lucette da Lozzo ... has a wealth of artistic inspiration
and diversity of style circulating the depths of her
imagination which provides intense and enchanting
compositions.*

*Linda Dry-Parker... is an abstract colourist with a
passion for figures that creates a sophisticated form of
expression mixing femininity and intimacy with intrigue.*

*Natalie Dyer... paints people moving through their
everyday life in her fresh and quirky way that pushes
the boundaries between the traditional and
contemporary.*

*Linda Vario... creates intricate, visually stimulating
works with three dimensional impact embracing a
rhythmical balance of harmonious and spontaneous
expression.*

Together these “Women of Substance” provide a
scope from cheerful whimsy to a sophisticated
feminine intrigue.

Come and be enchanted by this array of gifted
artisans.
